Several times since she has lived with The Doctor is of the opinion that the girl Powhatan and the Dispatch. Along the plate corresponding to it in appearance point of view, the scene was a memorable his wife's and the children's plates breeze. Cheer after cheer came from every for analysis, and called in a physician to attend to the family. The result showed that ceased there was heard the strains of the the powder was poison. Mary Kleman was accordingly arrested, and after a preliminary hearing before Justice Chapman in

Evanston, brought here and lodged in the Cook County Jail There is little doubt that the girl is insane. There has always been a disposition Toke up. Each vessel, as it passed the on the part of the jall officials and attendants to believe the girl guilty, the facts were so strong against her, but many of those about the Jail last evening thought the alleged confession went for but little. The girl is weakly, sick and predisposed to hysteries, and if she is insane, as her relatives believe, she was even more irrational than usual last evening. Therefore not much retiance can be placed on the confession. rambling, incoherent manner.
